Objective of the fund

The objective of NIT Income Fund is to generate competitive stream of return with moderate level of risk for its unit holders, by investing primarily in fixed income Securities/instruments.

Profile of Investment Managers

National Investment Trust Ltd. (NITL) is the first Asset Management Company of Pakistan, formed in 1962. NITL is the largest asset management company of Pakistan with approximately Rs. 74 billion assets under management. In order to cater to varied needs of investors, NITL for the very first time in the 48 years history of the company, ventured in to fixed income category by launching two Funds in the FY10. NIT Government Bond Fund, a very low risk product was launched in Nov. 2009 followed by NIT Income Fund which was introduced in Feb. 2010. With the launching of these two funds the family of Funds of NIT has increased to six funds including 4 equity Funds and 2 fixed income Funds. NIT's distribution network comprises of 21 NIT branches, various Authorized bank branches all over Pakistan and Arab Emirates Investment Bank (AEIB) in Dubai (UAE). The Board of Directors of NITL consists of representatives of leading financial institutions, prominent industrialists and nominee of Govt. of Pakistan. All Investment decisions are taken by the Investment Committee of NITL.

Fund Performance Review

NIT Income Fund declared a dividend of Rs. 1.0581 per unit for its unit holders for the year 2010-11

The fund yielded an annualized year to date return of 13.03% for during first month of FY11. Where as, the benchmark of the fund, average 6 month KIBOR, for the month stood at 13.80%.

The asset allocation of the fund was remained static as compared to previous month apart from investment in TDRs which has been matured during the month. The fund has around 24% of its total assets in TFCs, while around 67% of total assets are invested in Government securities. The remaining is in the form of cash and other assets.

State Bank of Pakistan announced the monetary policy statement on July 30, 2011 and decided to reduce the policy rate by 50 bps to 13.50%. The fund's returns are expected to increase with the cut in policy rate due to its significant investment in short and medium treasury bills. The fund has gradually built a portfolio of high quality fixed income securities and will continue within its investment strategy to further add securities within the investment avenues available.
