Objective of the fund

The objective of NIT Income Fund is to generate competitive stream of return with moderate level of risk for its unit holders, by investing primarily in fixed income securities/instruments.

Profile of Investment Managers

National Investment Trust Ltd. (NITL) is the first Asset Management Company of Pakistan, formed in 1962. NITL is the largest asset management company of Pakistan with approximately Rs. 78 billion assets under management. The family of Funds of NIT comprises of five funds including 3 equity Funds and 2 fixed income nature Funds. NIT's tally of nationwide branches is 23, yet another milestone as no Mutual Fund in Pakistan has such a big network of nationwide branches. Further to cater to the matters relating to investments in NIT and day to day inquiries/issues of its unit holders, a state of the art Investors' Facilitation Centre is also in place. The Board of Directors of NITL consists of representatives of leading financial institutions, prominent industrialists and nominee of Govt. of Pakistan. The Company has been assigned an Asset Manager rating of "AM2-" by PACRA, which reflects the company's very strong capacity to manage the risks inherent in the asset management business and the asset manager meets very high investment management industry standards and benchmarks. All Investment decisions are taken by the Investment Committee of NITL.

Fund Performance Review

NIT Income Fund annualized return for the month of October stood at 9.09% against its benchmark return of 9.55% while the current year to date return was 7.00% against its benchmark return of 9.25%.

The Consumer Price Index (CPI) for the month of October increased from 7.40% year on year to 9.08% year on year. This increasing trend in inflation has led markets to anticipate further hike in interest rates. Treasury bills participation has been mostly in the shorter tenor papers while secondary market rates for longer tenor securities have remained on the higher side in anticipation of a hike in discount rate.

NIT IF's asset allocation at the end of the month has around 12% of its total assets in TFCs which has reduced from the previous month. Around 84% of total assets are invested in Government Securities while the remaining is in the form of cash and other assets.
